HOST A **BIG SCREEN EVENT** AT YOUR SCHOOL

Supported using public funding by
**ARTS COUNCIL
ENGLAND**

Suffolk Libraries are offering free cinema equipment for hire to schools in Ipswich

We have everything you need to create a cinema experience: a large screen, projector, sound system, atmospheric lighting and bean bags.

The arts team at Suffolk Libraries can help you set up the equipment and be available for technical support.

We have a selection of films to borrow or provide advice on licensing issues if you want to screen something else.

- Host a outdoor screening of a family favourite
- Play a Shakespeare film in the playground
- Celebrate sporting or cultural events with the whole school.
